You and your Dental Team are invited to attend the EDAA
CONFERENCE 2015

February 7th 8:00 am - 3:45 pm Fantasyland Hotel Ballroom

SCHEDULE OF EVENTS

8:15 am **THE THERAPEUTIC & AESTHETIC USE OF BOTOX IN DENTISTRY**

Presenter Dr. Arif Sumar BSc DMD Prosthodontist

Now that dental practitioners in Alberta are training to administer Botox in their practices it is important that we understand how it is used in both therapeutic and cosmetic applications. In this presentation we will review some basic anatomy of the head and neck as it relates to the injection sites and learn how Botox affects the body. We will also learn basics about the pharmacology of this drug. Is everyone a candidate for this drug? What is the required set up for this procedure? How is it mixed and drawn up into a syringe for administration? These questions and more will be covered in this presentation.

There a number of different types of prosthetics available to patients today. Dental implants have evolved over time as have the materials they are made from. We will be presented with a number of cases that will provide us with an understanding of when implants are used, complications related to implants and the role of the RDA in the implant procedure. *CCP Links incl C-7-2 C-7-5 or 1 CE credit hour*

10:45 am **BIOLOGICAL AND CHEMICAL INDICATORS IN DENTAL STERILIZATION**

Presenter Rick Bauer PHD

Current standards and guidelines recommend monitoring sterilization processes using tools such as biological and chemical indicators, but how these tools work is often not described or understood. In this presentation we will review the use of these indicators, how they work, and the information they provide. Common practices and tips for sterilization monitoring will also be discussed. A focus will be placed on relevant guidelines for Alberta dental practices.

1:15 pm **PSYCHOLOGICAL HAZARDS AND ABUSE IN THE DENTAL WORKPLACE**
Presenter Glynnis Lieb PHD

While the majority of dental staff enjoy their profession, sometimes the psychological hazards that they are exposed to in the workplace causes many to seek other professions or in some cases despair of finding a comfortable work setting in the dental field. "Psychological Hazards and Abuse for Healthcare Workers" and "Administrative Workers in Health Care" are 2 documents included on the OHS Alberta website. It is the responsibility of the employer to ensure they are adhering to the OHS Code.

2:30 pm **UNDERSTANDING EMPLOYEE ENTITLEMENTS**
UNDER ALBERTA EMPLOYMENT STANDARD REGULATIONS
Presenter Kate Young

Dental office managers and dental staff don't always understand the minimum requirements of employers to their employees when it comes to issues like overtime, holiday pay, vacation pay, maternity or parental leave and termination. In this presentation you will learn what is acceptable in all of these areas. When both employers and employees understand these entitlements it will lead to a more team oriented atmosphere in the work environment, happier staff members, a more relaxed work day and less conflict over these issues.
