“Dental Assistants: Embracing changes in our Profession”

Chateau Nova Hotel Kingsway on 119 Street

10:30 AM **“Antimicrobial Resistance and Antimicrobial Stewardship”**
Presented by Mary Carson PHD - Alberta Health Services

The World Health Organization recognizes Antimicrobial Resistance (AMR) as “a growing global health threat”. In this presentation you will learn about the causal associations between medical/consumer use of antibiotics/antimicrobials and AMR. You will also be introduced to Antimicrobial Stewardship and learn what the dental team can do to ensure stewardship in our practices. Mary will provide you with resources to guide you in this goal for your office and show us how to take our stewardship beyond the office and into our homes and community.

11:45 AM **“Motor Vehicle Accidents and Dental Injuries”**
Presented by Christine Pratt LLB - Field Law LLP

There are important legal considerations and concepts to keep in mind when dealing with patients who have sustained injuries through Motor Vehicle Accidents (MVAs). This presentation will provide you with an understanding of the legal issues related to: burden and standard of proof; causation (legal vs medical); evidence based opinions; minor injuries and serious impairment; and dental charting. Christine will also provide us with information on how dental staff will be dealing with legal counsel so that we can answer the question “whose side are you on?”.
