“Forensic Odontology—An Alberta Perspective”
Speaker - Dr. Ronald Haines

Public fascination with the forensic sciences might be attributed to advances in technology and procedures, but probably more likely results from popular TV shows like “CSI”. In this presentation, drawing from his 40+ years of forensic dental experience, his involvement with over 800 forensic dental cases and as a consultant to the Canadian Forces, the RCMP and other agencies, Dr. Haines will show us why Forensic Odontology is considered an integral discipline within the field of forensic sciences and how RDAs can play an important role. *CCP Links incl A-1 A-2 A-7-2 J-4*
