“Understanding MS, Disability & The Importance of Critical Illness/Disability Insurance”

Did you know that Multiple Sclerosis is known as “Canada’s Disease” because we have the highest rates of MS in the world? Paulette Brown (RDA Rt’d) has had her professional career shortened by Multiple Sclerosis. It is her goal to raise awareness of MS and disability among dental professionals. In this presentation you will learn to identify disability, both visible and invisible, and will learn how dental staff can assist patients with disabilities.
