9:30 am **WHY DO IMPLANTS FAIL?**
Presenter Dr. Kevin E. Lung BSc DDS MSc FRCD(C) FICD(C)

We are very honored to have Dr. Lung, a very distinguished Edmonton specialist in Oral and Maxillofacial Surgery, presenting on the dilemma of implant failures. Patients expect implants to last their lifetime. Dental implants can fail for a variety of reasons, but the most common – and most preventable – are infection and bone loss. Late failure happens long after the dental implants have been established and functioning. This failure occurs between 1-10 years after the implant is placed. Dr. Lung will discuss both early and late failures and the many causes of implant failure. *CCP Links incl A-2-2 A-2-3 A-3-5 A-4-1 C-6-3 or 1 CE credit hour*

10:45 am **INVISALIGN IN GENERAL PRACTICE**
Presenter Jason Jobs BPE MBA Territory Manager at Align Technology Inc.

Many general dental practices are interested in offering a long term treatment option / solution in the comprehensive care of their patients. In this presentation, Jason will discuss the use of Invisalign in every day dentistry. Clear aligners are custom made for each patient and as the patient progresses through the aligners they gradually experience a shift in their teeth horizontally, vertically and rotationally as needed. For the right patient, this treatment can be one that provides the “no metal” option they are looking for.

Presenter Constable Philip Hawkins EPS Cyber Crime Investigation Unit

Billions of dollars are lost by businesses every year and the risks are real! In this presentation Constable Hawkins will discuss cyber crime vs cyber enabled crime. You will learn about the theft of computer data and how to prevent it. Some dental offices have already had the unfortunate experience of being attacked by ransom ware, the high

jacking of your systems and data by encrypting your hard drive. Other ways that criminals can affect your business include infecting your Point of Sales terminal and compromising your business emails. Valuable information for every staff member! *CCP Links incl/H-2-6 H-2-7 H-2-8 H-2-9 or 1 CE credit hour*
