

# EDAA 2018 *Members Nite Out*

**Friday March 16th 7:00—9:00 PM**

**Registration for this event is for EDAA MEMBERS ONLY until March 2nd!  
Non-members may register after that date if there are still tickets left.**

Wouldn't it be fun... to visit a local wine shop where you can find neat wines with interesting character and staff who know about wine? You'll be hard-pressed (wine pun intended!) to find an event where you'll have a more knowledgeable or more enthusiastic host to teach you the finer points about choosing and pairing wines and to show you around a wine shop and help point out some of the great value and award-winning wines, spirits, and beers on the shelves.

Mark your calendar for Friday March 16th for the second annual EDAA Wine Tasting Social Night. Our Social Director Sarah Nitz has arranged for us to have a private wine tasting social function at Vines Riverbend Wine Merchants where we will have the opportunity to try a variety of wines from the Mediterranean regions of Spain, Italy and Southern France and nibble on regional snacks while we socialize and have fun!

The theme for this years event will be a ***"Wines of the Mediterranean Region"*** presentation by William, the Vines Sommelier. Those attending will learn about wine making in these areas and the different grapes grown in these regions. William is eager to answer any and all questions about wine that you may have. Each sample is 1.5 ounces and there will be 7 chosen for the evening. After the session, the store will make any of the sampled wines available in full bottles at a 10% discount for anyone wishing to take one home to enjoy. William is looking forward to introducing you to a delightful and delicious wine experience. **Attendance is limited due to the venue size and we expect tickets to go quickly for this event.**
